15. [redacted] LIAISON I was called by Mr. James Fiesta, in the office of Representative Clarence D. Long (D., Md.), regarding a constituent's request for information on the Kennedy assassination. This constituent, [redacted] is a graduate student and is preparing a thesis on the assassination. He had seen a newspaper article reporting an FOIA release from the Agency of about 850 pages of material on the assassination to the Associated Press. Mr. Fiesta is sending me a copy of the newspaper article so that we can more clearly identify the material with IPS, and if it has been released it will be provided to the constituent through Mr. Fiesta. (Note: There have been prior OLC contacts with Mr. Fiesta on this FOIA request.) STAT

ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 29 March 1977

25X1 1. [redacted] BRIEFING I called Pauline Baker, Senate Foreign Relations Subcommittee on African Affairs staffer, to ask at CPS' request if 6 April at 1430 hours would be a possible alternative time to 4 April for the briefing of the Subcommittee on African Affairs. She checked and said it would be. Later I confirmed the date and time with her. CPS was advised, as was Office of Security
25X1 [redacted] and I checked with Art Kuhl, Committee staffer who will be in charge of arrangements at the Capitol. (Meeting will be held in S-116, the Capitol.)

25X1 2. [redacted] LIAISON The Director attended an informal coffee meeting with members of the House International Relations Committee to discuss procedures for reporting actions taken pursuant to the Hughes/Ryan amendment. He was accompanied by
25X1 George Cary and [redacted] OLC. (See [redacted] Memorandum 25X1
for the Record.)

25X1 3. [redacted] LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, to advise him of the Director's meeting with the House International Relations Committee today and the general expression of support which the Director received regarding his concern for protection of sensitive intelligence information. I also told Miller that interest in a House select committee on intelligence is increasing and that Representative Clement Zablocki (D., Wis.) will be introducing a resolution on this subject in the next day or two. I also
STAT talked with Miller about the [redacted] statement. He said the matter was still before the Committee and had not been resolved.

Later in the day, I talked with Miller again and he advised me of the Committee's intention to hold open hearings on 5 and 6 April on the subject of an open budget for intelligence. He said the Committee assumed that Admiral Turner would want to appear on the 5th to express his views on the subject. He said the Committee would be interested in the Director's comments on the recommendation contained in Volume I of the Church Committee report, the court decision in U.S. vs. Richardson and the articles in the Yale and New York University Law Journals on this subject as well as Hasting's Constitutional Law Quarterly.
